## Verizon Mifi/Tablet International

I understand that by signing this contract I am responsible for all monthly and global fees. I agree to pay the monthly fee and am responsible for any additional charges incurred while traveling internationally. \*\*Not all countries are covered under these global plans. To verify the country you are traveling to is covered, please ask a Huskertech employee. While traveling your domestic data allowance does not apply. Any coverage options are listed in the plans above. For all the plans some restrictions apply. The billing period begins on the 1st of every month or the day you sign up for service, and ends on the last day of the month. All usage restarts on the 23<sup>rd</sup> of the month with Verizon's cycle. An approved Verizon device is required for service. The maximum number of plan changes that can be done per cycle (23<sup>rd</sup> – 22<sup>nd</sup>) is five. If you exceed this limit we may not be able to add or remove a requested plan. **This offer is available only to UNL Employees and Registered Students and are subject to change with notice.** I understand that I am responsible for notifying Huskertech in writing with time and date that I currently provide NTAP (organization or individual specializing in providing information and communication technology support to nonprofit organizations. If you experience issues with your global service while traveling you can contact Verizon's Global Support at 908-559-4899. No refunds will be given on international features unless there is documentation that you made contact with Verizon Global Support to troubleshoot.
