RECORDING INSTRUCTIONS

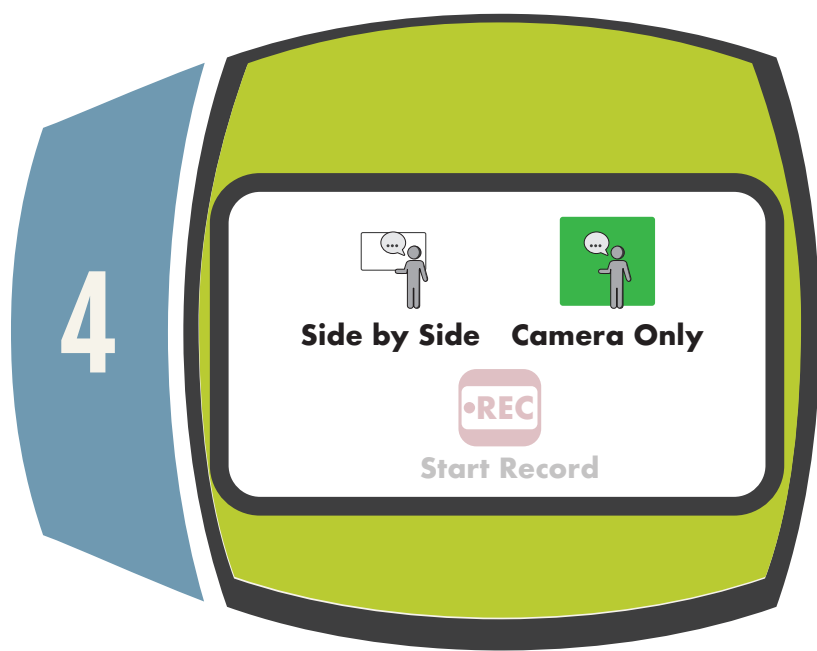

Ready to begin?
Touch the wall panel.

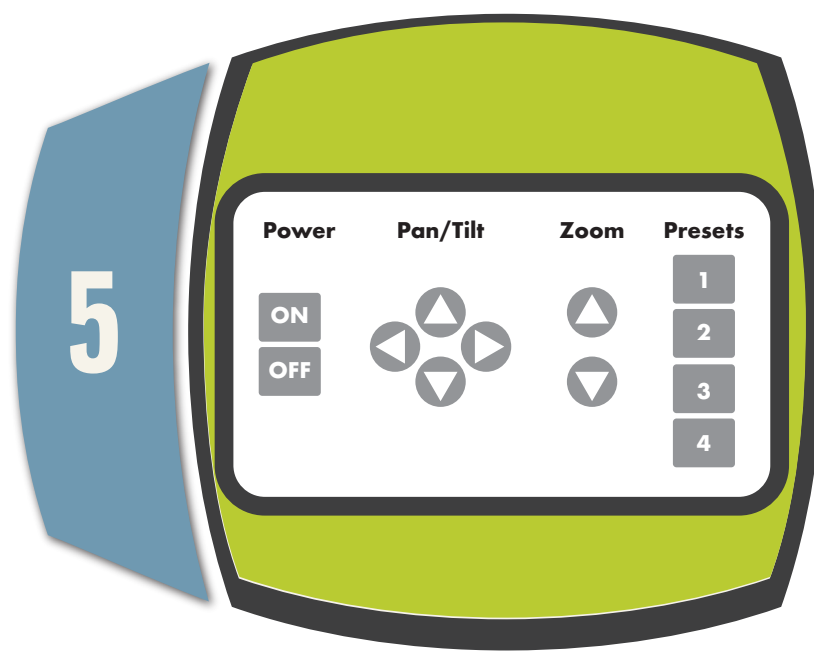

Log in to your VidGrid
account using your UNL email.

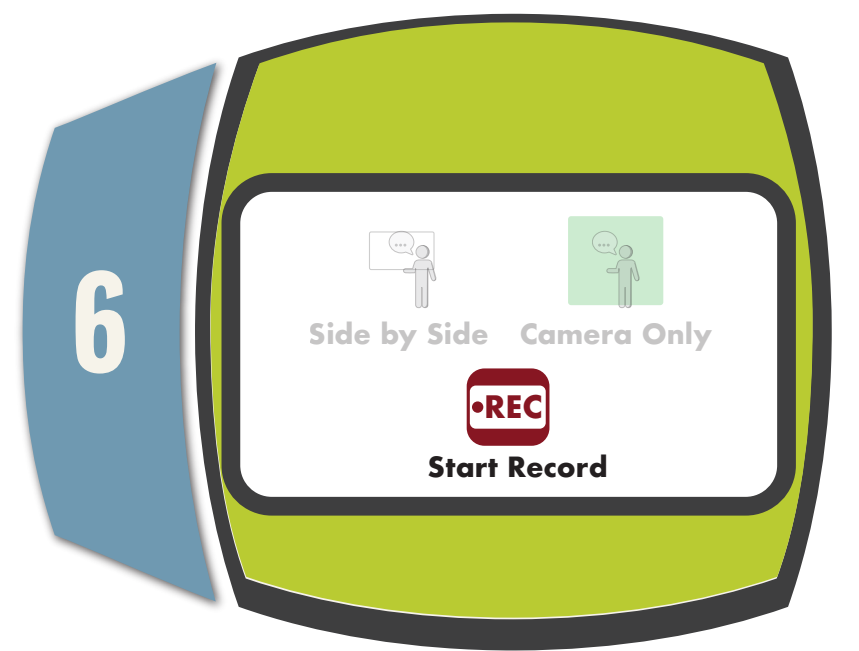

Select the setup you want
to use.

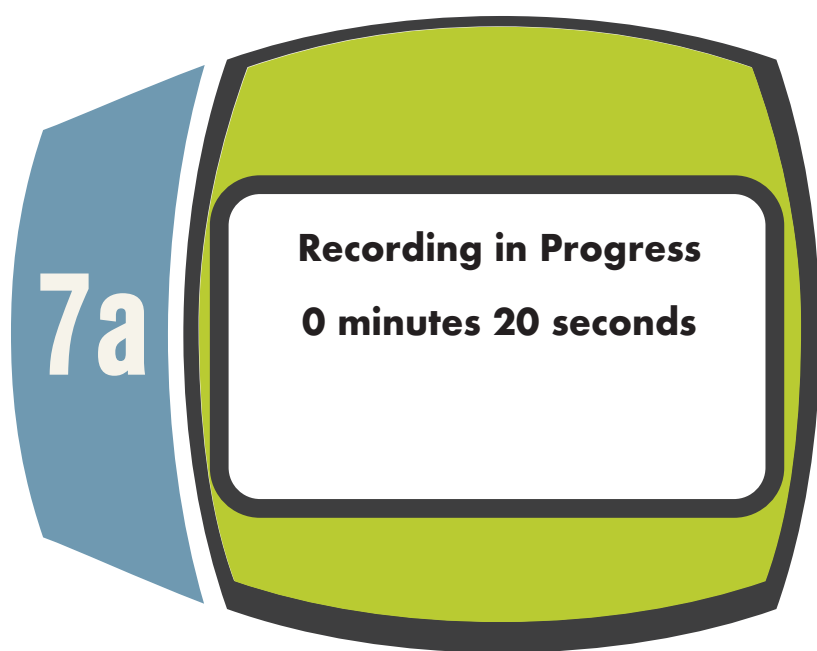

Select recording view.

Adjust camera controls
if needed.

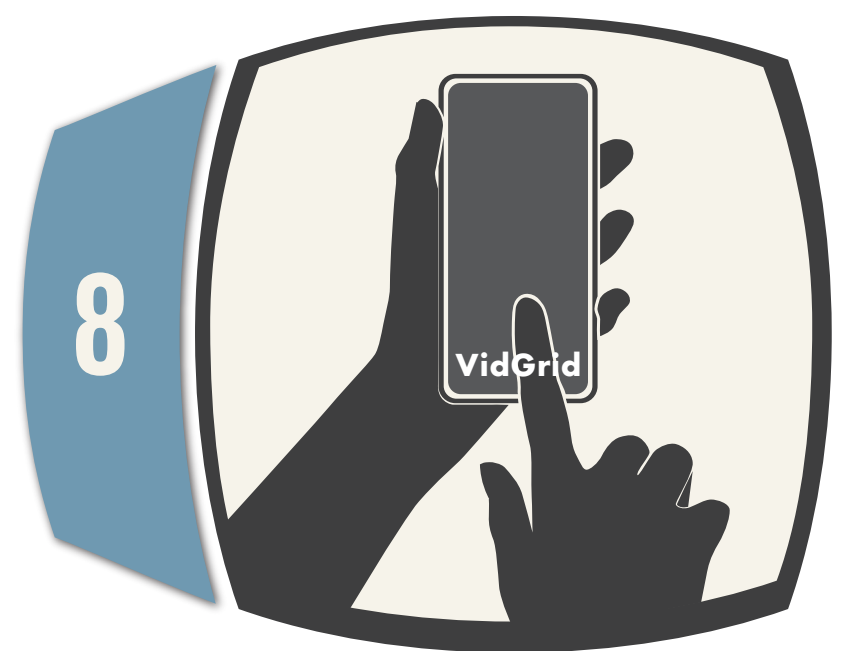

Press 'Start Record.' You have
3sec before recording begins.

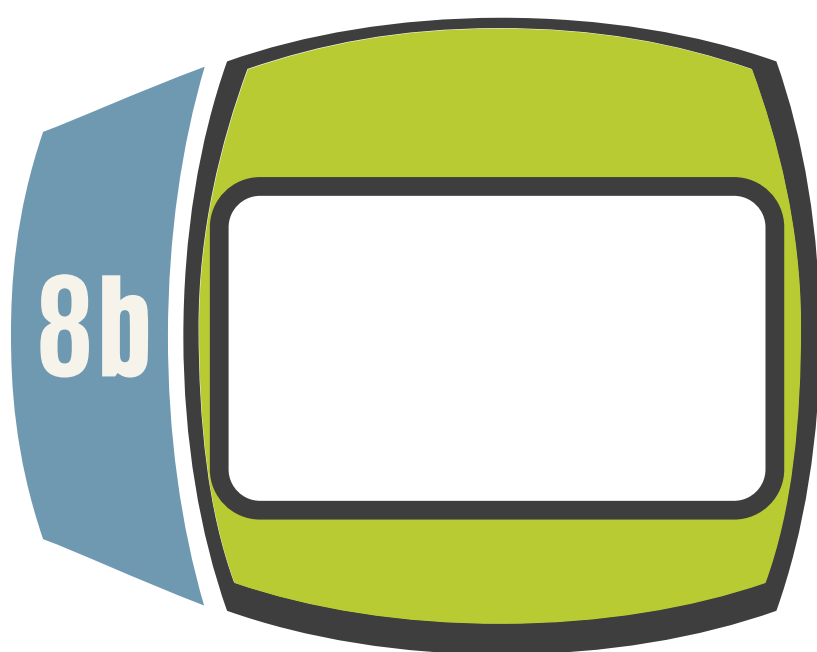

The length of your recording is
displayed during recording.

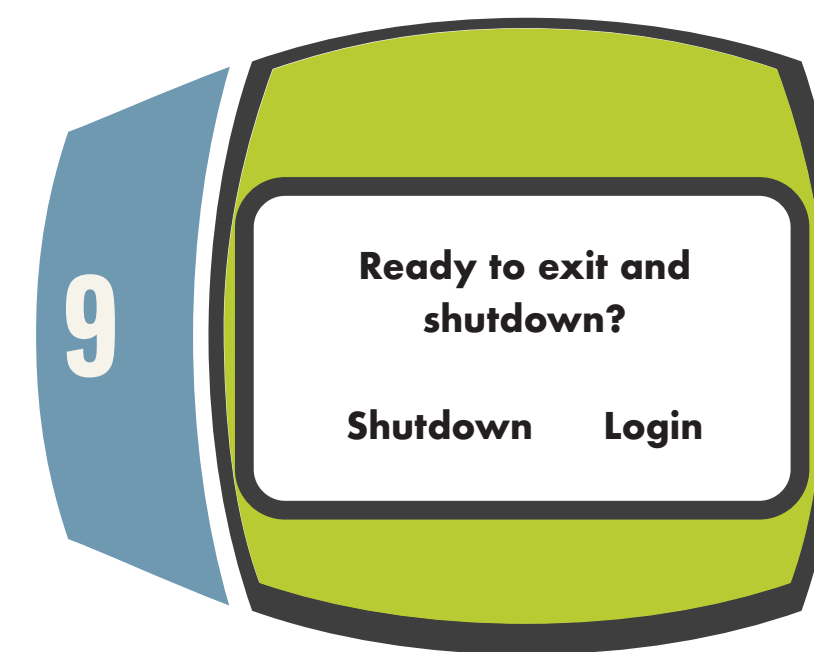

The MP4 file will save to your
VidGrid account after you hit
the Stop Recording button.

Check your video for picture
and sound quality in VidGrid
before you log out.

Don't see your video after
refreshing the page?
Submit a support ticket:
support@nebraska.edu.

Video looks good? Make
sure to exit and shutdown
to avoid anyone using
your VidGrid account.

You should see this screen
after you have logged out.
